

## SECTION 1 POLICIES

### 1.1 COMPANY SAFETY, HEALTH AND WELFARE POLICY

#### Statement of Intent

The Safety, Health and Welfare At Work Act, 2005 places responsibility for occupational health and safety on all stakeholders. The Act develops the role of employer, employee and Government in framing and implementing occupational health and safety policy in Ireland.

Our Safety Statement sets out the general safety policy of Material Test and Inspection Ltd. The aim of this policy is to do all that is reasonably practicable to secure the occupational safety, health and welfare of our employees and of others who may interact with us during our work activities.

Material Test and Inspection Ltd, will endeavour to comply with all legal enactments relating to safety, health and welfare in the workplace.

This Safety Statement is prepared in accordance with Sections 19 and 20 of The Safety, Health And Welfare At Work Act 2005, (S.I. No 10 of 2005).

Safety is everybody's responsibility whilst at work and all personnel have duties, (including our sub-contractors, suppliers and visitors) to take all reasonable precautions and care, to avoid harm or injury to both themselves and those who may be affected by their actions or omissions.

Material Test and Inspection Ltd recognise that the primary responsibility for ensuring safe systems of work lie with their responsible persons, and therefore they will endeavour to do all that is reasonably practicable to comply with this responsibility.

The achievement of a safe and healthy working environment requires the commitment and co-operation of all.
